This is my first time here, I've been through a dozen threads and didn't find much help. If you can try to help me out, I would appreciate it very much. Installed the game with a cracked cd in the drive via CD-drive. Installed the game, which works fine, of course, however, when trying to play the game, there is a problem with the music. The problem is that the folder with the music is hidden and I can't seem to find where this folder is stored. I would really appreciate any help to fix this issue. Last time I installed Max Payne 1 there was no problem with the music so I assume it is caused by the crack. I appreciate your answer. Daniel Abreu The location of the folder is shown in the image.
