A powerful tornado surges through the small town of Joplin, Kansas, leaving loss of life and devastation in its path. When the storm passes, Joplin emerges a ghost town. A sadistic looter who terrorized the area crawls out of a grave to take in the ruin. Meanwhile, an FBI group is called in to investigate the disappearance of a young boy. A PTSD soldier with a problem with "specimen stealing" defends himself against an armed robbery. And in the city, a group of young mothers are about to get involved in the question of parenthood. Nick has other ideas when he and Donna vacation to Europe. Half-smitten, he has his "tourist eyes" opened when he visits the real world. Nastya - Mellow Yellow

boy ask for his help. The Pastor enters the Ark, and the past and the future find a common place. More Christian twist on the Ark and Noah's Ark stories. Journey to the heart of Tajaís Castle, a crumbling jewel box of a place, choked with conspiracy and hidden treasure. Archaeologist Taja must unlock the secrets of Tajaís Castle and solve the mystery of the relic in her possession. This is a rich, well-crafted fairy tale about courage, compassion, faith, friendship, magic, and the heart of the hunter. Nobody in Joplin could lose hope when a tornado tore through the city in May 2011. Some began to rebuild, others lost hope. But one fireman and an airplane pilot never gave up on people. Written by a former deputy fire chief, *The Fireman and the Flying Pastor* dramatizes his own story of how the tornado transformed the west Kansas town of Joplin. It also explores the nature of miracles and the power of faith. In three-plus hours, *The Fireman and the Flying Pastor* will have you in tears and will
