He was founded at Wat Nandaram, Burmese Buddhist tertiary Buddhist university. Ajahn Brahm is known for his unconventional lifestyle as he grows a 'herboid' wild orchid at his retreat centre in the grounds of the monastery. For more information on Ajahn Brahm, please read his full biography. References External links Category:Buddhists of Burmese descent Category:Buddhist writers Category:1938 births Category:Living people Category:English Buddhist monks Category:Burmese Theravada BuddhistsJava is a programming language that everyone and their mother knows and loves. What makes this language so powerful is that everything about it is open source, and you have the freedom to use it as you like. Why not start off with a new project, or use Java as a mid-project enhancement? In this eBook, we go into the technical side of Java development and how to start using Java right away without any fear. This is a bit of a different kind of eBook: It describes how to use Java through the eyes of a hacker. We discuss programming concepts in a relatable way and use practical examples to flesh out what's going on under the hood. This eBook will get you through the initial learning curve with ease. Java is the world's most popular programming language, and it's free. If you're ready to get started, then this book will answer any of your questions. 6d1f23a050
